

A Unique Gift Idea ... a Special Memorial ... NEADS Name-a-Puppy Program

You can name one of our new arriving puppies (only eight weeks old) entering the Laura J. Niles Puppy Nursery. Pups live here until we place them in our Prison PUP Program or with full-time puppy raisers where they receive training for approximately one year before they return to NEADS for their final/advanced training.

We will send you photographs and updates throughout your puppy's socialization and training. We will notify you when our trainers match your dog with a deaf or disabled human partner, and we will invite you to the formal graduation of your Assistance Dog team.

Please share the significance of the names you have submitted by attaching a separate sheet of paper, or on the back of the registration form. Thank you!

Name a puppy. Change a life. It will change yours, too!

Your donation to name a puppy cannot be restricted for a specific client or Assistance Dog discipline (i.e., *Hearing Dog, Service Dog, Assistance Dogs for Veterans*) as the dogs must mature before determining their particular area of strength. By naming a puppy, you do not have ownership rights to the puppy. Your \$2,500 donation will name one puppy.

Be creative, but respectful of the pup and its future owner. Names should not sound like basic commands, such as "no," "down" or "sit." Please understand that not all puppies have the right temperament or aptitude to become Service Dogs. Pups that do not complete the NEADS training program are adopted into loving homes as pets. **Should the puppy that you named be released from the training program, we will use one of the names you submitted for one more of our new pups. Should the replacement pup be released, no additional pups will be named.**
