

Raising Funds Guidelines

Thank you for choosing to donate proceeds from Fundraising efforts to support NEADS! We greatly appreciate the hard work and generosity of our dedicated donors and volunteers.

NEADS is a 501(c)(3) nonprofit organization that has received a 4-star rating from Charity Navigator for the last 14 years. To protect the integrity of our mission and brand, the following guidelines have been developed for those who organize special events, benefits or promotions on behalf of NEADS. *If this is a request to have NEADS attend an event or speak, please return to the fundraising home page and fill out a Community Engagement Request.*

Steps to Community Fundraise

1. Fill out the Guidelines and Application Form online and NEADS will respond within 5-7 business days of application submission.
2. If approved, NEADS will send a letter of endorsement and Toolkit that includes logos and tips for fundraising. NEADS will also provide a staff member liaison to contact through the fundraising process.

Marketing and Promotion

- All promotional material and media related to the event must be approved by your NEADS liaison.
- All promotional materials should state the fundraising is **“to benefit NEADS/World Class Service Dogs”**.
- NEADS is unable to guarantee attendance of dogs, volunteers or staff at the event or promotion.

Beneficiary and Solicitation

- NEADS requests a list of targeted sponsors and large donors before they are approached to ensure no overlap with NEADS events and/or fundraising campaigns.

Liability, Insurance and Permit Guidelines

- The Community Fundraising organizer is responsible for all vendor agreements, contracts, insurance and necessary permits* for the event.
 - *Please note, these activities are governed by state and federal laws and will require special permits. For more detailed information, please visit: <http://www.mass.gov/ago/doing-business-in-massachusetts/public-charities-or-not-for-profits/soliciting-funds/raffles-and-other-gaming-activity/faqs-about-nonprofit-gaming-events.html> . Most Civic and Veterans Halls hold their own raffle permits. Please consult them when planning a raffle at one of these types of locations.

Financial Guidelines

- Community Fundraising exists without contribution from or financial risk to NEADS.
- All checks must be made payable to NEADS.
- The organizer should provide a summary of net proceeds within 45 days of the end of the event.

Charitable Giving Guidelines

- NEADS will only provide tax receipts for donations on or above \$250. A list of the donor names, addresses and donation amount must be presented with the checks and match the donor/name on the check.
- Federal tax laws disallow a Community Fundraiser from using the NEADS Sales Tax Exemption number or Federal Employer Identification number when purchasing any goods or services from suppliers or vendors.
- Donations made directly to a Community Fundraiser can be used to cover the event’s expenses, but are not tax-deductible.

By submitting your application, you agree that you have read and understand the Community Fundraising guidelines and agree to all the terms and conditions. You understand that your event is NOT CONSIDERED AN APPROVED EVENT until you have been notified of its status by NEADS. You agree to indemnify and hold harmless NEADS/Dogs for Deaf and Disabled Americans, its officers, directors, shareholders, agents, representatives, managers, employees and affiliates from and against any and all claims, suits, liens, judgments, damages, losses and expenses including reasonable attorney fees and legal expenses and costs arising in whole or in part and in any manner from the acts, omissions, breach or default of subcontractor in connection with the performance of any work by subcontractor, its officers, directors, agents, employees and subcontractors. All fundraising activities must comply with state and federal laws and be in compliance with all ethical standards.
